REPORTS

A: PRINCIPAL - Mr. Bateman

No new updates on Staff since last PAC Meeting. There was a Staff Meeting on May 21st. Our number of students may change by the time September rolls around, we are still having new students registering for LME. 2026/2027 will be decreasing by a Division, from 19 to 18. Hired a temporary teacher for 2nd Grade, G. Palmer. Volunteer Tea was really well received. The Kindergarten classes enjoyed performing for everyone. Lots of Field Trips are coming up soon, so make sure that everyone is checking their emails for any notices from their children's teachers. Pie it Forward went super well this year! We hit our goal, so all teachers and admin who volunteered will be getting pied on May 26th! The students are super excited. Kinderfair is on May 27th – New students will come in and get to meet some of the teachers and get to know the school a little bit. Track Mini Meets coming up in the next few weeks at Sardis Secondary School, on June 3rd and 10th. June 3rd is our last Whisker Wednesday of the 2025/2026 School Year, and we're doing things a little different! Instead of breaking off into our regular Whisker Wednesday groups, the students will be participating in "Level Up" Day where the students will stay in their class rooms, but the teachers of the grade that the students are going into will come in and introduce themselves and get to know the students a little bit! How fun! June 5th is Spirit Day, Hat Day! June 8th LME will be participating in a School Wide Run, with the possibility of this becoming a regular thing next year! Mr Bateman will be chatting with the teachers from the middle schools soon about the 5th Graders and their transition into Middle School.

More important dates coming up in the next little while:

June 12th – Intermediate Sports Day

June 18th – Tacky Tourist Day and District Track Meet

June 19th – 5th Grade goes to Cultus Lake Waterslides

June 22nd – Primary Fun Day

Gaming Account currently sitting at \$10,500.00

Chequing Account currently sitting at \$20,000.00 approximately

Gaming Account:

Changed Field Trip per Student amount from \$15.00 to \$10.00. Ms Dirven has done an amazing job fundraising for the 5th Grade Class so they might not need to use as much from the PAC. Gaming Grant has been submitted for 2026/2027 Year, \$7740.00. No Expenses have come out of the Gaming Account.

Chequing Account:

Hot Lunch has made about \$10,200 in Sales, and our cost is about \$8300.00. Popcorn has made about \$3000.00 before expenses. We made \$288.00 profit from Stay Safe Course. Fundraisers went well.

D: PAC DPAC Report – Kayla

May 28th is the AGM DPAC Meeting @ 630pm. Looking into how to help the issues in our parking lot.

E: Hot Lunch

Moving forward we are restructuring our Hot Lunch Program. PAC collectively feels that if we break up the tasks into a team setting instead of 1 person trying to do it all themselves that we'll have more success moving forward. We need Hot Lunch Snacks picked up before May 28th Hot Lunch.

F: Popcorn

Moving forward our current Popcorn Leader, Tyrra doesn't want to continue. The Day we do Popcorn can be moved, it doesn't have to stay on Wednesdays. We make about \$0.60/bag. Let's see who is interested and maybe we can rotate through Volunteers so no one gets burnt out.

OUTSTANDING BUSINESS

A: Grade 5 Grad Money

Ms Dirven did a fantastic job fundraising, and the money set aside from the PAC might not need to be used.
